For those of you unfamiliar with Korfball, in brief it is a mixed team sport where one team tries to outscore their opponents by scoring goals in a basket. What makes Korfball unique is that it was designed to be a mixed team sport, so boys and girls play together from young kids all the up to the national team. It's based on the fundamental principles of teamwork and equality and of course it's a lot of fun!! Please see our club website for our safeguarding policy and code of conduct.

The cost per child is £6 a week and we would appreciate payment by term. Payment must be made prior to the club starting on the 14th April.
