Dear Parents/Carers

We are writing about a new, easy way to raise funds for the school, to encourage children to eat healthily and to decrease our plastic packaging use all at the same time.

Riverford, the organic veg box company, will donate £25 to the school for every parent who becomes a customer, on their 3rd delivery. Veg boxes are a great way to encourage children to try new things and get them interested in where their food comes from. The veg changes with the seasons and comes with weekly recipe inspiration. From £11.45 with free home delivery.

To find out more or place an order

1. Visit <https://www.riverford.co.uk/> or call your local veg team on **020 3828 8084**
2. Set up a regular account
3. Add our ID code **SCHGR01** into the Notes box when you check out (this will make sure we get the donation)

A screenshot of the Riverford website's checkout page. The page is divided into several sections. On the left, under 'keep in touch', there are three checkboxes: 'Send me the weekly box contents email' (checked), 'Send me offers and promotions' (checked), and 'Vegetarian? Opt out of meat emails' (unchecked). On the right, under 'how did you hear about us?', there is a dropdown menu labeled 'Please choose'. Below these sections is a 'Notes' field with the text 'if you have a promo code, please let us know here.' and a large text input area. This input area is circled in red. At the bottom right of the form is a 'check your order' button.

Thank you for your support.

Best wishes

FUN
